NAME: BLOOD DONATION CAMP AT HIMACHAL VIHAR SOCIETY

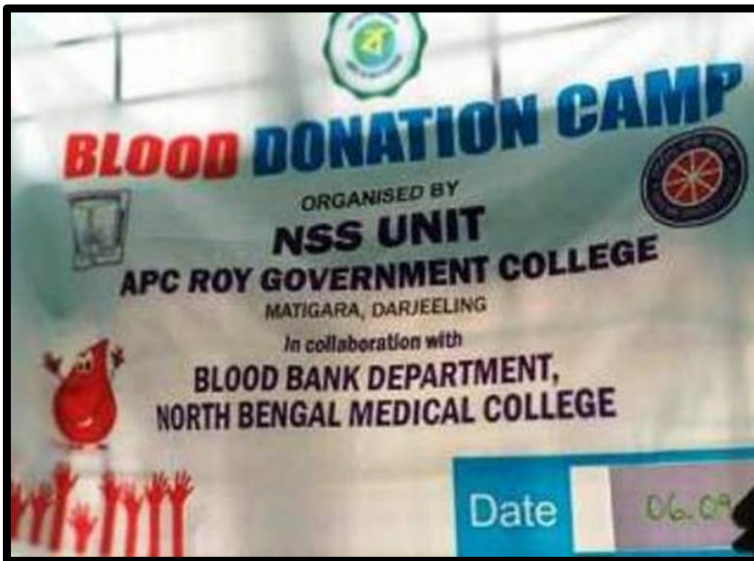

A blood donation camp was organised in Himachal Vihar Society on **06-09-2019** in collaboration with the Blood Bank Department of North Bengal Medical College.

PLACE: Himachal Vihar society

DATE: 06/09/2019

OBJECTIVE:

The objective of this camp was to foster the spirit of community service that the college has always stood for. As model citizens of the nation, NSS volunteers are ever ready to extend their help to people in their hour of need and blood donation is one of the ways in which they give back to the community. This programme also aimed at spreading more awareness about donating blood and encouraging youngsters to do so by dispelling the misconceptions surrounding this activity.

Happy blood donor

OUTCOME:

The blood donation camp was a great success with a large number of people coming forward voluntarily to donate their blood. The medical personnel from NBMCH were satisfied with the positive response they received and hoped for more such collaborative camps with them in the future.
