Name: **ROAD SAFETY AWARENESS PROGRAMME AT HIMACHAL VIHAR**

Place: **A.P.C ROY Govt. College, Himachal Vihar, Matigara**

Date: **02-03-2022**

Objective:

- One of the primary objectives is to educate the public about the importance of road safety and the risks associated with reckless behaviour while driving, walking, or cycling on roads.
- The program aims to promote safe behaviour among road users by encouraging the adoption of safe practices such as wearing seat belts, obeying speed limits, and avoiding distractions.
- The ultimate objective of road safety awareness programme is to reduce the number of road traffic accidents, injuries, and fatalities by raising awareness about common causes of accidents and how they can be prevented.

Outcome:

- One of the primary outcomes is an increased awareness among participants about the importance of road safety measures such as wearing seat belts, obeying traffic rules, and avoiding distractions while driving.
- Reduction in Accidents: Over time, such road safety awareness program can contribute to a reduction in road accidents, injuries, and fatalities.
- Improved Road Infrastructure: Road safety programs also involve advocating for better road infrastructure, such as improved signage, traffic signals, and pedestrian crossings, leading to safer roads for all users.
