Name: **AWARENESS PROGRAMME ON PROTECTION OF LOCAL STREAM**

Place: A.P.C ROY Govt. College, Himachal Vihar, Matigara organised by Dept. of Bengali in collaboration with Himalayan Nature and Adventure Foundation (HNAF) and NSS unit, APCRGC.

Date: 16-06-2022

Objective:

- To educate peoples about the potential hazards associated with local streams, such as drowning, waterborne diseases, pollution, and natural disasters like flash floods.
- To increase awareness about water quality issues in local streams, including pollution sources, and contaminants.
- To highlight the significance of local streams in the ecosystem and the importance of protecting them from pollution, habitat destruction, and other threats to biodiversity.

Photos:

Students of APCRGC increasing awareness regarding the protection and preservation of local streams

Outcome:

- This programme increased awareness among local peoples about the potential dangers associated with the local stream.
- Cleaning of the local stream and prevention of proper waste disposal resulted in reduction in pollutants entering the stream, thereby improving water quality.
