Email Address:- apcrgc@apcrgc.org, website: www.apcrgc.org

Name: **ESTIMATION OF AIR POLLUTION THROUGH PRECIPITATION METHOD**

Place: Adjoining areas of the college, APC Roy Govt. College, Matigara, Siliguri

Date: 20-04-2023

Objectives:

- The primary objective is to evaluate the level of air pollution in the areas adjoining the college campus by measuring the concentration of pollutants deposited through precipitation.
- Use the findings to develop targeted mitigation strategies and interventions aimed at reducing air pollution levels and improving environmental quality in the surrounding areas.

Photos:

Air pollution estimation through precipitation method at adjoining areas of college campus

Outcomes:

- The program raises awareness among community members about air quality issues, health risks associated with air pollution, and the importance of environmental conservation and sustainability practices.
- The program provides educational opportunities for students to learn about air quality monitoring techniques, environmental science, and sustainability practices, fostering environmental literacy.
